

Quebec, August 10, 2009

To the recorders of Son Shem Council No. 17 and Victoria Council No. 4

Distinguished companions,

Please note that I will be visiting the three councils in Quebec on the following dates:

Reine de Saba No. 20.....October 28, 2009

Victoria No. 4.....October 29, 2009

Son Shem No. 17.....February 26, 2010

During my visit to Reine de Saba Council, I will not review the books of that council, given that I am also its recorder. The books of that Council will be reviewed at a separate time by a current or past Grand Officer designated by our Grand Master. Please note that the books of the other two councils will be reviewed upon my official visit.

It would be desirable if a degree work was scheduled for my visit. If that is impossible, consideration should be given to performing a short exemplification of a degree. Please inform your members of my official visits. Do not hesitate to call, write or phone me should any problem arise or for any other reason.

Fraternally,

Gilles Chiniara, GIG Quebec
